Notes

• Games are rally point scoring up to 11 points. Games are strictly first to 11, players do not have to win by more than 1 point.

• If time expires in any game, at least 5 points (total) must be scored for the game to count.

• If the game score is tied when time is called, players will play one more point to decide the winner.

• A spirit rating for your opponent for each match must be recorded.

• If a match is defaulted, check the default box for the player who defaulted.

• Defaults are recorded as 0-11, 0-11 and 0-11 for the team that defaults.

• Each team must submit the scores online by midnight the day following games.

Reporting Scores

Game scores are submitted online. On the CSSC website, click 'Leagues,' 'Squash,' and then 'Report Scores' from the Squash Hub
