

EVENT COORDINATOR ANNOUNCEMENTS

Tuesday, September 29

If there are any problems that you are unable to solve on your own, please call 587-896-7529 to speak with a staff member who is monitoring the Emergency Phone Line. If the call reaches voicemail, please leave a message and reference the main page of Sportscentre for additional contact information, if your call is urgent.

WELCOME EVERYONE!

- *A representative from the facility may be speaking with players either before or after announcements.*
- *Introduce yourself and welcome everyone to the first day of the season.*
- *Let everyone know that these Week 1 announcements will take a few minutes, and that you appreciate their patience.*

ROLL CALL

- *If you have any Individuals Teams at the facility – please take roll call to help them find the correct team.*

IMPORTANT NOTES ABOUT THE LEAGUE:

- Teams are expected to arrive 10 minutes prior to the listed time. For teams arriving earlier, please be respectful of members who are using the ice before us, or rink staff who are prepping the sheets for our booking. If your team is looking to warm-up a bit before the game, please also be courteous to other CSSC teams who also want warm up. Share the ice.
- Record your scores on the score sheet.
- Please respect the facility. Here are a few reminders:
 - Do not excessively touch or sit on the ice, as it's very fragile.
 - Brooms and sliders are provided, but please bring clean indoor shoes and put them on before you enter.
 - Please return all of the equipment to the location it was found; please notify the facility staff of any faulty equipment or damages.
 - Players are responsible for any damage caused to the equipment/facility.
 - Please ensure that the rock does not hit the hack or the end with visible force.
 - No liquids, aside from water, allowed on the ice surface.
- Here are a few reminders about defaults for the season:
 - The minimum required number of players in order to NOT DEFAULT your match is **3 in total** (no gender restrictions).
 - It is \$110/game for defaulting. This amount will go to the opponents who you default against. Teams must pay their default fee before their next night of matches.
 - **Please state to the EC whether you want to collect this fee or not if a default occurs.**
 - The CSSC has subs lists accessible from your HomeBase account to help you avoid defaults.
 - *Ensure all teams have enough players to avoid defaults (3 total players is the minimum at start time). If this requirement isn't met, this team will automatically lose the game 0-10.*
- If there are any discrepancies between the rules, please do not argue. Instead, agree how you will call that rule for the rest of the game.
 - *Explain that the rules are linked online (or if you have a copy of them on you) that can be referred to if there are any questions.*

GAME FORMAT

- Time slots are two hours in length.
- Games consist of 6 ends.
- The score will freeze after the completion of the 6th end, regardless of how much time is left in the time slot.
- Ties are allowed in the regular season.
- Mercy will be called after a **10-point lead**, the scores freezes but teams are encouraged to keep playing for fun.

DOUBLES BOARD

- This is a prize which can be claimed by a team who completes a double take-out: Completely remove two (or more) opponent rocks from the house in one shot.
- If you complete this, grab the Doubles Board and proudly display this skilled (but more likely lucky) feat.
- The team in possession of the Doubles Board at the conclusion of the 4th end is the winner for the night.
- The EC will award this team with a coupon which can be exchanged at the bar for a pitcher of beer!
- If nobody wins the Doubles Board tonight, the EC will award the coupon to one team who hasn't won the pitcher yet. This week, if the Doubles Board goes unclaimed, the pitcher will go to _____. *Please be sure to choose a team who is not on a bye this week and who hasn't won yet. Use your chart from week 1 to keep track. I have given this chart to Sylvester.*
- In addition to the bar, teams can check out the closest sponsor bar which is [The Canadian Brewhouse - Harvest Hills](#).
