

Wednesday, July 8

If there are any problems that you are unable to solve on your own, please call 587-896-7529. If the call reaches voicemail, please leave a message and reference the main page of Sportscentre for additional contact information, if your call is urgent.

If there are players on any of the booked courts leading up to the game start time, politely let them know that a paid booking is starting and that Court(s) 'x' are still open for public play, but they will need to move from the booked courts. If they question the booking, show them the permit and / or point to the City of Calgary sign on the fence that outlines the priority usage policy.

WELCOME EVERYONE!

- *Introduce yourself and welcome everyone to the first day of the season.*
- *Explain your role (organizer for each night, equipment, and report the scores to the ESSC so they can do the standings). Let them know that these Week 1 announcements will take a few minutes, and that you appreciate their patience.*
- *Equipment – ask if any players are in need of a racquet. Explain that each week the EC will have a limited supply of racquets, but anyone is free to use them.*

IMPORTANT NOTES ABOUT THE LEAGUE:

- Here are a few rule reminders for today:
 - Teams will play two matches per night.
 - Each match will consist of a single set, **or** 40 minutes in length:
 - The first team to win 6 games within the set (as long as there is a margin of 2 games over the opponent) will be declared the winner.
 - You cannot start another game if there is less than 5 minutes remaining in the match.
 - If time is called, the current game will be played out, and the score will stand (ties are possible).
 - A tie break game can be used if time permits to break a set that is tied at 6-6.
 - Tennis leagues use a rally-point scoring system.
 - The first team to '4' points wins the game. (15, 30, 40. GAME!)
 - Advantage rules apply; each game must be won by two points (DEUCE + ADVANTAGE).
 - Teams will switch sides after one complete serving rotation (every 4 games) within the set.
 - The serving player alternates serves between the deuce court (right) and the advantage court (left) at the start of each point. The returning players must return from the same court for the duration of the service game.
- In Doubles, the boundary line following the serve is the outermost line.
- If only one team member shows up, the expectation is they play short-handed in a 1 vs. 2 format using doubles court lines.
- If there are any discrepancies between the rules or the ball being in/out, please do not argue, agree how you will call that rule for the rest of the match and re-serve that point.
