Equipment

Sport Specific Equipment Location and details:

Posts: There are 4 blue volleyball posts. They are labelled 1-4. Keep 1, 2 and 3, 4 together.

Postholes: Use the post holes that are on the black centre line.

Court Lines: The lines are blue all around.

Nets: The CSSC owns two VN8080 nets and they are stored in a CSSC bin. They may be found on a shelf, or on the floor near the Volleyball posts.

Gym Set-up

Volleyball

Step 1: Posts 1 and 2 go together and 3 and 4 go together.

Step 2: Adjust the sleeve on the posts to the top hole.

Step 3: Each net has a cable loop or an S-hook on all 4 corners. Attach the top of one corner of the net to the S-hook on the top of the post and the other top corner to the S-hook on the strap.

Step 4: Repeat for the bottom of the net, but the strap and crank will be on the opposite side.

Step 5: Tighten the net on the top and bottom using the crank wheel. **DO NOT OVER-TIGHTEN!**

Important Notes

- The latch on Pole #1 is a bit finicky and may not immediately latch. Crank the bottom tight and while holding tight, may have to manually push the latch down and in to catch the tooth on the crank.
- There is a key inside the equipment room door that raises the basketball hoops, should they still be down. There is a switch the key can be inserted into underneath all of the BB hoops to raise and lower them.
