Gym Location: After entering through the doors, turn down the hallway to the right. The gym will be located immediately to the right.

Change room/Washroom: Located in the main hallway along the left side wall.

Floor: The floor is made of hardwood.

Equipment

Volleyball Equipment Location and details: Hounsfield Heights should be setting-up the nets for the CSSC. If they are not set-up, please follow the details below. ECs are not required to take down the nets at the end of the night.

Posts: There are 4 high school caliber posts located in the gym. They are in the Northeast corner of the gym. Each post has rope on it, with two posts cranking the top of the nets and two that will crank the bottom of the nets. The height of the posts should be set to the second hole from the top.

Postholes: Use the postholes located furthest away from the court lines ~3 feet on either side. If the covers will not come out of the postholes, please find the onsite staff to assist.

Court Lines: Court lines are blue all around.

Nets: The nets are located on hooks right behind where the posts are kept in the gym. They are "VN8080" nets and have loops/tape on all corners of the nets.

Step 3: Attach the bottom loop of the net to the S-hook on the post. Do the same on the other side of the net.

The nets and posts are kept in the equipment room which is located in the hallway outside the gym last door on the left-hand side. The Facility should be aiding in the net set-up process, if help is required by players

Player Benches: Players can sit on the large benches against the wall, outside of the area of play.
