## General Information

**Parking:** There are 46 parking stalls that can be utilized by patrons of the facility. If those are full for any reason, players are allowed to park on the street as there are no restrictions.

**Entrance:** Enter through the South door. The door should be unlocked, if it is not, the keycode is (2099#) Doors will be locked after rental hours commence.

**Change room/Washroom:** Change rooms are located to the left as you enter towards the main playing area. The North Field (first as you enter through the doors) is 1 and the South Field is 2.

## Equipment

**Sport Specific Equipment Location and details:** The equipment and scoreboard panels will be in the North storage room. Located in the Northeast corner of the North Field.  
The code for the room is **15-20-37**

## Important Notes

**New Fall 2023:** Moving forward, GCs will be required to lock up the facility at the end of the night as there will be no staff present when our game concludes. The lock-up procedure includes:

- Putting the balls and scoreboard controllers
- Locking the front door from the inside.
- **Turning off the lights at the end of the night. The light switch for the fields can be found in photo 1.**
- GCs will be required to leave through the side door located in photo 2

Accurate Fieldhouse has a non-violence policy. Should any player participate in any violent act, they will be banned from the facility.

Players must leave their shoes in the designated shoe area at the front entrance. Max occupancy on the terrace is 55 people.
