General Information

Parking: You can park in front of the soccer centre along the south side of the building. If this lot is full you may park on the north side of the building, or along the west side.

Entrance: Enter through the far-left door on the south side of the building with the lockbox. If door is not open upon arrival, use code **“1027”** on the lockbox. Do not give this code out to any players! The field is located down the hallway in front of you. Washrooms are located on the east side of Turf #2, behind the fence and another set is located in the middle of the turf east turfs.

There may be an alarm to disarm when you get there. **YOU DO NOT HAVE TO ARM THIS WHEN YOU LEAVE.** The keypad is located directly to the left as you enter the boot storage area. If this is armed, please key in 2015 to turn it off.

Gym Location: Field is located down the hallway to the left of the entrance.

Change room/Washroom: Washrooms are located on the east side of Turf #2, behind the fence and another set is located in the middle of the turf area where Ultimate is played.

Floor/Field: Participants can only have water only on the turf – no colored drinks or food! No metal cleats are permitted on the field

Equipment

Sport Specific Equipment Location and details: The equipment is kept in a storage room in the NE corner of the facility (the east wall behind Field 3). As you enter the storage room, the equipment will be kept in the unit that is on the right and has a sign that says “Calgary Sport and Social Club. The combination to the unit is **“34-00-22.”**

The remotes and operating instructions for the score clocks are kept in the cabinet as well. It’s important that the remotes are plugged in every night or they will lose charge. Additionally, please ensure you turn off or unplug the score clocks every night to allow the bulbs to not burn out.

Gym Set-up

Goals: The facility has soccer goals on each field.

Dividers: Ensure the dividers are pulled across each pillar.

Score Clock Remote: Obtain remote from cabinet

Balls: Put balls on field for players to warm-up with.
