Equipment

Sport Specific Equipment Location and details: The Floor Hockey equipment can be found in the gym storage room located at the centre of the gym. There should be 10 player sticks, 2 goalie sticks, 2 sets of goalie gear, 2 corner boards, 2 nets and the player benches can be found here. There is also the ability to use the score clock at this facility. If the equipment room is locked and/or the score clock control is not in the equipment room, you'll need to contact the on-call maintenance operator @ 403-383-7227.

Gym Set-up

Basketball

Court Lines: Black basketball court lines, easily identifiable in this gym.

Player Benches: Players can sit on the benches against the wall outside of the area of play. Please ensure you put down the yellow plates for the benches to go on as the floor is soft. **This must be done!**

Ball Hockey:

Nets: Use the full-size 72" hockey nets in the storage room.

Creases: There are no marked creases, however, you will find red vinyl tape in the storage cabinet. Please ensure this tape is taken up at the end of the night.

Corner Boards: These need to be set-up in every corner as indicated in the diagram below. The 12ft corner boards go in the corners with the benches, and the shorter 6ft corner boards go in the other corners to round them off.

Player Benches: These need to be set-up inside of the corner boards (see diagram), players or bags should not be in the area of play.

Obstructions: The basketball nets should be raised and out of the area of play, if the nets are down upon arrival, there is a switch right next to the main entrance to the gymnasium.

Gym Soccer

Posts: Stored in the gym storage room as photographed above

Nets: Stored in the gym storage room, likely on a bench as photographed above.
