

CURLING *Cheat Sheet*

ROSTERS

- 4 players on the ice, with no gender restrictions
- The minimum number of players required to avoid a default is: *3 total players*
- There are four positions in curling: a lead, second, third, and skip
- Players are allowed to rotate through the various positions, as long as each position is declared at the start of each end

GAME PLAY

- All equipment (Brooms, Sliders) we will available to players at the facility
- All games are 6 ends and/or 2 hours in length
- Mercy will be called if a team gains a 10-point lead
- Ties are allowed in the regular season
- Teams will toss a coin or use another suitable method to determine who starts with hammer
- **Playoffs:** The higher seed will start with hammer
- Each position will throw 2 rocks per end
- If a rock does not pass the hog line or hits the side of the sheet, it is a dead rock and removed from play
- Once a rock passes the back line it is considered removed from play
- Unless otherwise stated, the [Canadian Curling Association Rules of Curling for General Play](#) will apply to all games played in the League
